

Washington Elementary Teachers and Parents (WETAP)
Student Directory and Volunteer Opportunities, 2018-2019

WETAP is the Washington Elementary parent group. All parents, future parents, grandparents, and guardians of Washington Elementary students, as well as teachers and school staff of the Washington Elementary School, are considered members. We also welcome community involvement.

WETAP meetings are generally held the first Monday of each month at 6:30 in the Washington Elementary Art room. You can follow us on twitter @mvwetap, find us on facebook, or email us at wetap@mvcsd.org

The Washington Elementary student directory is provided by WETAP. Each family who wishes to participate MUST provide us with the information they approve to appear in the directory; the school is unable to provide this information due to privacy policies. If you wish for your students' information to be available to their classmates for playdates, birthday parties, and other events, please fill out the form below.

Once the forms are collected and the directory is updated, the directory will be sent to WE families and guardians through the ES office news. Thank you for helping make this project a success!

WETAP also helps coordinate volunteer opportunities at the school. If you are willing to have WETAP contact you regarding these opportunities, please share your preferred contact information below. Coordinating volunteers usually takes place on a website such as VolunteerSpot and the link will be included in the email you receive from our volunteer coordinator. After you receive the link, you can decide if the opportunity will be a good fit for you. We greatly appreciate your willingness to help!
