

REMOTE LEARNING PARENT SURVEY

96 Responses

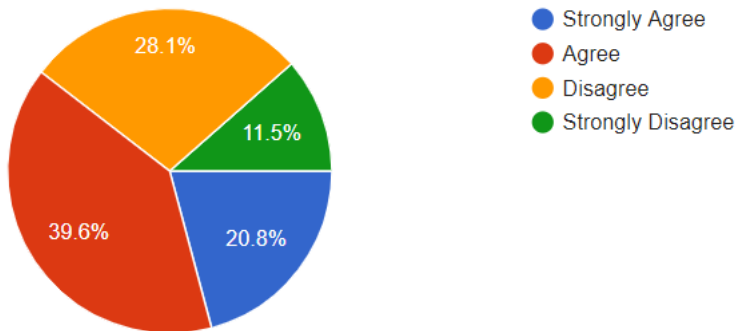

Grade Level for your student(s)

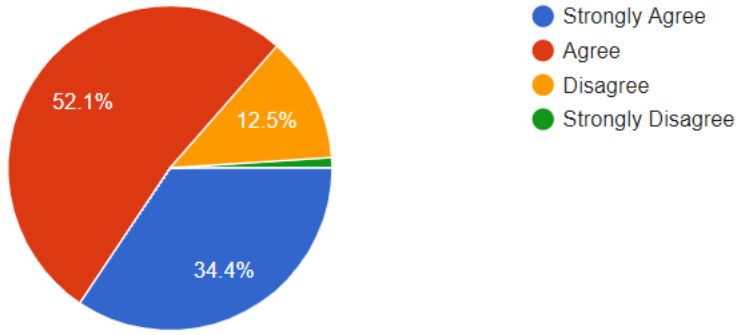

My child is able to receive support from a Mount Vernon teacher when there is a question regarding learning.

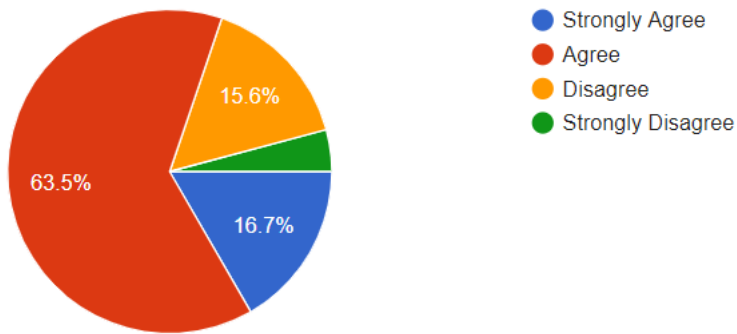

My child is able to work successfully and independently in the remote learning program.

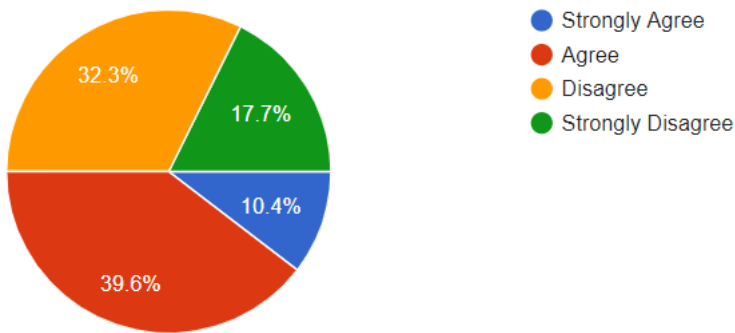

My child is able to work at his/her own pace in the remote learning program.

I am able to get effective and timely answers from the district or from Edmentum/Apex when I run into a problem with the online program.

My child has been able to maintain relationships with peers while learning in the hybrid model.

At this time, I would like the district to...
