Current Grade Level

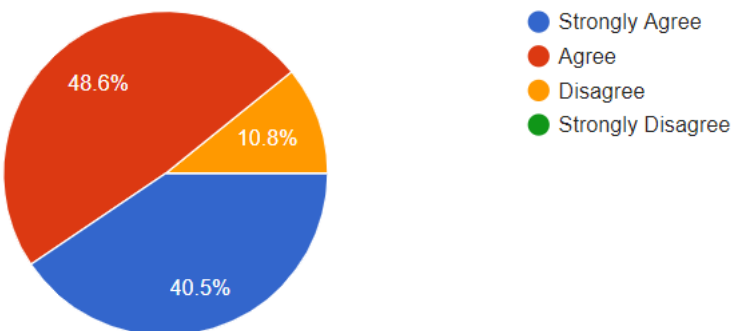

I am able to receive support from a Mount Vernon teacher when I have a question regarding my learning.

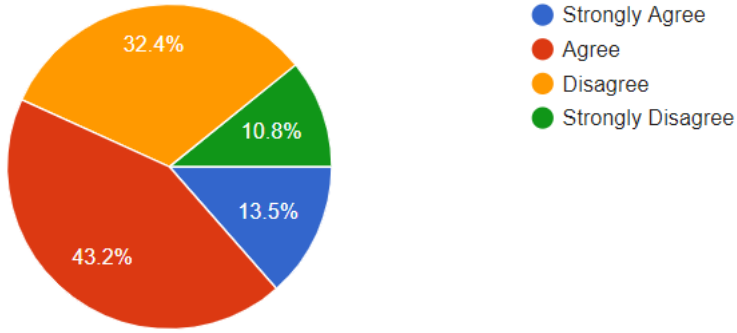

I am able to work successfully and independently in the remote learning program.

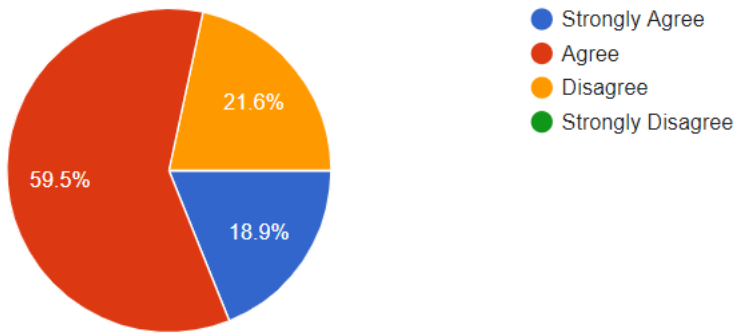

I am able to work at my own pace in the remote learning program.

I have been able to maintain relationships with peers while learning in the remote model.

I am able to get effective and timely answers from the district or from Edmentum/Apex when I run into a problem with the online program.

If the district returns to a traditional learning model, I would like to...
