## Youth Camp 2020 Information

Parents and Players,

I want you to know that it is my *earnest desire* to hold our youth camps this summer. We all know we are operating in unusual times, and different families have different feelings and boundaries we have placed to ensure the safety of those we love. I will do my absolute best to operate our youth camps in a way that provides for the safety of all involved.

If we are allowed, pending IGHSAU approval for contact, our program will run youth developmental camps the week of July 13th. If our camp is unable to take place, I will communicate with all who have signed up.

I will run some smaller groups than I have in the past, to help mitigate our concerns. I will take precautions recommended by experts, our district, and the IGHSAU.

I will LOVE the chance to get into the gym with your daughter(s) when it is permitted. Right now, our administration has approved our camps, pending approval from the state level.

The truth is, the root of our success in our MVVB program starts with our youth development. The relationships, the skills, the mental training and the cohesion contribute in an incredibly important way to our program.

I am including links below that will have you fill out if your daughter is able to attend. I will have you *pay at camp*, should we be able to run the camp.

All camps would run out of the **MVMS** gym. Checks or cash will be accepted at check-in, with checks written to MVCSD, please. [To register, contact Maggie Willems at mwillems@mvcsd.org.](mailto:mwillems@mvcsd.org)

*TO ORDER T-SHIRTS, I NEED THE REGISTRATION BY July 5th. (The t-shirts are awesome!)*

---
